

# ENERG

енергия · ενεργεια

**aqua/termic**

DP EMIX 300 + AQ OUT HY 14

**XL**

Two icons showing sound power levels. The top icon shows a speaker inside a house with the value **35 dB**. The bottom icon shows a speaker outside a house with the value **57 dB**.

Two columns of energy consumption icons. The left column shows a dark blue square with a dash, a medium blue square with the value **1783**, and a light blue square with a dash, with the unit **kWh/annum** below. The right column shows a dark blue square with a dash, a medium blue square with a dash, and a light blue square with a dash, with the unit **GJ/annum** below. At the bottom is a map of Europe with various countries shaded in different shades of blue.
