

Product Fiche

The basic information

Model: ADD-20XB

Manufacturer / Address: Eurofred C/Marqués de Sentmenat,97
08029 Barcelona

Sound pressure: 41dB(A)

Refrigerant: R290

Refrigerant leakage contributes to climate change. Refrigerant with lower global warming potential (GWP) would contribute less to global warming than a refrigerant with higher GWP, if leaked to the atmosphere. This appliance contains a refrigerant fluid with a GWP equal to 3. This means that if 1 kg of this refrigerant fluid would be leaked to the atmosphere, the impact on global warming would be 3 times higher than 1 kg of CO₂, over a period of 100 years. Never try to interfere with the refrigerant circuit yourself or disassemble the product yourself and always ask a professional.
